

Blueprint for a Healthier America

- All Americans should have the opportunity to be as healthy as they can be.
- Every community should be safe from threats to its health.
- All individuals/families should have access to services that protect, promote & preserve their health – no matter who they are or where they live.
- **Access the Full Report at <http://healthyamericans.org/report/129>**

TFAH's Current Priorities

- Achieve optimal federal support for public health.
- Advance a modernized public health system.
- Highlight key health issues.
