POLL #1

Are you attending this Web Forum:

a. Individually
b. In a group of 2-5 people
c. In a group of 6-10 people
d. In a group of more than 10 people
Matthew Marsom  
Vice President  
Public Policy and Programs  
Public Health Institute

As Vice President for Public Policy and Programs for the Public Health Institute (PHI), Matthew works to advance and support the work of the organization’s domestic and global health programs, identifying opportunities to strengthen program impact and promote cross-program collaboration. Matthew is also responsible for designing and implementing strategy for monitoring and influencing public policy, legislation and regulations affecting PHI projects and public health policy relevant to PHI interests.

Connect with Matthew on twitter @PHI_Policy

Q&A – All, Moderated by Matthew Marsom
POLL #2

How would you rate the strength of existing community development and health sector partnerships within your organization/community/area?

a. Very strong
b. Adequate
c. Needs improvement
d. Non-existent
Jennifer Miller, PhD
Senior Research Associate, Build Healthy Places Network
Public Health Institute
Oakland, CA

Jennifer Miller, PhD is a senior research associate working with the Build Healthy Places Network, where she recently published Community Close Ups, a series of case studies on innovative projects integrating community development and health. Miller has over 15 years’ experience promoting healthy communities through statewide initiatives in California such as Community Action to Fight Asthma, Healthy Eating Active Communities, and CA4Health (part of the CDC’s Community Transformation Grants program).

POLL #3

What is most needed to improve community development and health partnerships within your organization/community/area?

a. Increased leadership understanding of the importance of population health and the need to partner
b. Replicable best practices/models/examples of community development approaches to health
c. Business case/ROI for investment in population health improvement
d. Opportunities to engage with other leaders/partners around the country
e. All of the above
Pamela A. Koprowski
Counsel, Public Affairs
Stamford Hospital
Stamford, CT

Pamela Koprowski is a leader in public affairs, effective at working with diverse groups including business leaders, elected officials, the academic community, not-for-profit and community organizations; a coalition builder who excels at developing and nurturing relationships while unifying and motivating people to commitment and action. Formerly Stamford Hospital Director of Public Affairs, Koprowski provides community and government relations counsel to the institution as it expands – redeveloping its campus, building its new Hospital, and developing the Vita Health and Wellness District. A key member of the Hospital’s community engagement team, Koprowski works with Charter Oak Communities in establishing and managing Vita Community Collaborative.

Website: www.stamfordhealth.org
Vincent Tufo
Executive Director and CEO
Charter Oak Communities
Stamford, CT

Vincent Tufo is executive director and chief executive officer of Charter Oak Communities (COC), formerly the Stamford Housing Authority, a progressive community development organization serving Stamford, Connecticut. Mr. Tufo is also founder and president of Rippowam Corporation, COC’s real estate development subsidiary. COC is entering the final phases of its plan to replace or recapitalize its original publicly-assisted housing properties and to create mixed-use and community facilities in Stamford’s underserved neighborhoods.

Peter M. Grollman, MGA
Senior Vice President, Public Affairs
The Children’s Hospital of Philadelphia
Philadelphia, PA

Peter M. Grollman, MGA has oversight over the Hospital’s Departments of Marketing and Public Relations; Government Affairs, Community Relations & Advocacy; and Diversity and Inclusion – in addition to supporting the President and CEO on external facing matters. In this role, he’s supports the development and implementation of the Hospital’s annual communications, health policy and civic engagement strategy for CHOP operations throughout Pennsylvania, New Jersey and beyond.
