Prevention Advocacy Priorities and Resources to Help With Your Advocacy

Priorities

• PPHF is the top priority.
• Creating places for public health partners to work together across the political spectrum on some unifying issues in the ACA talks.
• Prepare to defend the CDC budget, especially at risk programs.

Resources

• APHA Take Action: Send a message to your members of Congress on a variety of current public health issues. [http://action.apha.org/site/PageNavigator/Advocacy](http://action.apha.org/site/PageNavigator/Advocacy)
