Trust for America's Health

Independent, non-partisan, public health & prevention focus, including:

- Non-profit, non-partisan
- Evidence-based policy & advocacy
- Dedicated to improving the health of every community and making disease prevention a national priority

Age-Friendly Public Health Systems

www.tfah.org/initiatives/age-friendly-public-health

Social Isolation

Social isolation and loneliness are more harmful than smoking or obesity, increasing risk for early death by 45%.

Social isolation accounts for about \$6.7 billion in additional Medicaid spending annually.

Older Adult Health During COVID-19

Access to nutritious food

Chronic conditions and
access to doctors and
medicine

Nursing homes and
assisted living

Multi-Sector Collaboration

Continuum of Care
